For more than 30 years Aromatherapy Associates, a truly British brand, has been specialising in harnessing the natural healing powers of the finest natural ingredients, purest extracts and essential oils to include in their products and treatments

Ayurveda is the revelations of the holy Indian sages who possessed comprehensive knowledge of the human body and harmony of the soul. The legendary legace of effective influence on the human body is based on traditional methods of spiritual and corporal therapy. Ayurveda is aimed to bring each person harmony, absolute happiness and total unity between the organs of perception, mind and soul. We combined the ancient traditions of India and Tibet with the philosophy of our SPA and offer to immerse yourself into the world of Ayurveda.
