Our signature SPA is about unique Moldavian tradition. Chosen the lavender as our symbol, this being a sacred herb, symbol of royalty, tenderness and elegance, which cleans the mind and body. The definitive aroma for calm and relaxation. Embrace the Moldova's authentic art of beauty by natural treatments base on lavender essential oil with therapeutic effect, scrub procedure with natural lavender flowers, peeling in hammam, the exfoliating massage softens skin and invigorates the body. Flavors, and scent notes of lavender water, which embrace the SPA ambience. A bed filled with lavender flowers, himalayan salt slowly surrounds you into a pleasantly warm blanket that calm and relaxes. The effectiveness of treatments is guaranteed by the highly skilled therapists from the Bali.
